

EXAMINATION PREPARATION PROGRAMME FOR UPCOMING HPCSA/SPEXI EXAMS SEPTEMBER 2019

EXPECTS OF EXAMINATION PREPARATIONSSINCE 2016

Dear Aspirant Doctor

Following the new HPCSA Board Examination format that is coming in September 2019, we have revised our approach to examination preparation by providing study material (compiled book-that you will use it in the class only). We are having another program that will be running in 29 July to 30 August 2019, we would like to invite you to be part of the interesting examination preparation focusing from the following;

1. Basic Science
2. Clinical Science
3. Organ System and
4. Physician Competency

For all the question bank please follow the link below;
www.boardvitals.com/nbme-shelf-exams?

Please note that by attending our preparation doesn't mean you will pass the examination but having a excellent opportunities of passing examinations.
(What follows serves only as a guideline and questions outside these topics are possible and BLCSA is not affiliated to HPCSA or Examiner or Moderators);
